

Compliance

Our Company and its employees are committed to ethical care and quality of life for our patients and clients. To fulfill this pledge, and as employers of choice in the communities we serve, we provide quality, cost-effective healthcare services with skill, compassion and respect.

Core Values

-

Our employees are the company.

-

Quality care is our bottom line.

-

Surpass all expectations.

Code of Conduct

Our Code of Conduct shows our Company commitment to an ethical work environment. The Code of Conduct applies to employees, officers, and directors of Total Senior Health Care and its affiliates. Our Code of Conduct sets forth our commitment to standards of proper legal, ethical and professional behavior.
